**Objective**

With the aim to provide extreme recognition to the industry and leaders for their extraordinary contribution towards infrastructure development in the world through their innovative ideas, products and services, Urban Transport News in association with Indian Association of Urban Rail and Mobility Industry (IAURMI) is announcing Rail Infra and Mobility Business Digital Awards 2020.

**Benefits**

No doubt this platform would be an exclusive opportunity for the industry and leaders to showcase their innovative strength and achievements before the world which will help them to add value in their brand.

In short, at the RIMBDA 2020 you can-
- **Brand visibility**: Showcase your innovative products and services before the right audience.
- **Recognition**: Get recognised for contributing to the industry through innovative ideas, products and services.

**About the Awards**

The Rail Infra and Mobility Business Digital Awards (RIMBDA 2020) will be given in a total of 32 categories to the selected individuals and corporate leaders from the industry. The winners will be awarded with an artistic trophy along with “Certificate of Appreciation” digitally signed by our Editorial Advisory Board or Managing Editor of Urban Transport News publications. However, non-winner participants will also received a digitally signed “Certificate of Participation”. The profile of winners will be featured in our next issues of Urban Transport Infrastructure Magazine as well as on our news portal.
